<p></p><p>It's hard to appreciate just how differently Gon

zo's Quest plays out compared to other 5 reel video slots unless you've

played it. Sure, there are some familiar elements - it's still a slot machin

e after all - but the avalanche approach is a welcome change to the rolling reel

s in slots titles still being released today.</p>
<p>Forget seeing symbols spinning and locking into place. With Gonzo's

 quest online slot the 'reels' are stacked blocks, which drop down each

time you press the spin button. If you hit a payline (there are 20 fixed ones) t

he blocks explode, everything shifts down, and new ones fill the gaps. Every tim

e this occurs you receive a multiplier, up to 5x the value of your winning spin,

 so even in Gonzo Quest's base game there's serious money to be made.&lt

;/p>
<p>Mayan symbols dictate how much you stand to win with each spin</p&gt

;
<p>The Gonzo's Quest slot is based on the historical explorer Gonzalo

Pizzaro, who set off in search of Eldorado's lost gold. The symbols in the g

ame are those you'd commonly find associated with Mayan mythology, from snak

es, spirits and eagles to divine sacred gods, the most high value of all symbols

.</p>
<p>There's no shortage of multipliers and free spins in this epic acti

on slot</p>
