<p>Thriller is a genre of fiction with numerous, often overlapping, subgen

 and defined by the moods they elicit, giving their audiences heightened feeling
s of suspense, excitement, surprise, anticipation and anxiety.[1] This genre is
well suited to film and television.</p>
<p>A thriller generally keeps its audience on the "edge of their seat
s" as the plot builds towards a climax. The cover-up of important informati
on is a common element.[2] Literary devices such as red herrings, plot twists, u
