Activision Blizzard will reportedly release a follow-up to 2024's Call of Duty: Modern Warfare later in 2024, following reports that it was delaying the next non-MW entry in the series to 2024.

2024 will reportedly see another Call of Duty: Modern Warfare game. Activision was not planning to release a full Call of Duty in 2024, opting to put out a big expansion to 2024's Modern Warfare II instead. However, a new report has stated that Activision has shifted course and is turning that expansion into its own release.
