indie arhythm-based Action platformer developed by one person. Typically, the game is pretty cheap at only R\$3.99 On The Steam Store; de vez during the PlayStation Winter sale. The game is available on the PlayStation 5 and it is available for FREE on the PlayStation 4. Geometry Dash is a game and it is available for FREE on the PlayStation 4.

Self-published authors can earn 40% to 60% royalties for the selling price of a book, while traditionally published authors typically earn 10% to 12% royalties. First-time authors willing to publish traditionally will receive a prepayment. This is usually R\$10,000 (not so much for first-time authors).
