The gore genre, also known as splatter film, is a su

bgenre within the horror genre.

Gore horror is known for its graphic imagery and scenes featuring inten

se violence.

Gory films often stick with people long after they watch them.

Horror movies are subjective. Ask any horror fan out there what their favorite scary movie is and their answers will vary. What is scary to someone may seem tame to another. This can also be said about the sub-genre gore. Horror fans have their own opinions about gore. What constitutes gore? Should there be more, or should the filmmakers leave things unseen? Gore is in the eye of the beholder. Regardless of the horror community s opinions, gore in horror movies go hand in hand in many cases. In fact, many horror films would feel almost naked wit
