

como ganhar na roleta ao vivo

Up to today, the highest attainable Combat Power in the game is 6,672, which belongs to both Primal Groudon and Primal Kyogre. However, these forms are temporary, and so are their CP buffs, which will go away right after every battle. The actual top non-Mega-evolved CP is 5,010 and it belongs to Slaking.

What's the highest CP a Pokemon can have in Pokemon Go? - Dexerto : pokemon : whats-the-highest-cp-pokemon-go-1319163
