What Does Plus and Minus Mean in Betting? - Techopedia

techopedia : gambling-guides : what-does-plus-and-minus-mean...;

A plus (+) represents longer odds, in which case you'll win more for your wager, while a minus (-) means you're betting on a more likely outcome (as deemed by the sportsbook) and will win less when you emerge victorious.

For example, R\$100 on +110 odds wins you R\$110, while R\$110 on -110 odds wins you R\$100.

Another example is if you bet on the Under 2.75 goals. In this example, half your bet is placed on the Under 2.5 goals and the other half is bet on the Under 3 goals. If the game lands on 3, you'd lose half your bet (Under 2.5) and refunded the other half (Under 3).

How to bet on Soccer - Sports Insights
