The concept behind these games is pretty straightforward - drive a colossal, custom-designed truck with oversized wheels over anything and everything in its path. They were a huge hit, especially with the young male demographic, who were fascinated by the idea of driving an overwhelmingly large vehicle and causing massive destruction. However, the appeal and reach of these games has expanded over the years to include players of all genders and ages. The term "monster truck" refers to a vehicle typically styled after the body of a pickup truck, but with exceptionally large wheels and suspension. Inspired by the real-life Monster Jam events, these games have seen constant evolution in graphics, gameplay and mechanics, keeping pace with advances in video game technology. These games are often compared to other genres such as r
