<p></p><p>Iron Fox Games x Poki Partnership - Announcement! Back in late May we announced a small division inside Iron Fox > , Games we ve labeled as Second Monitor Games. Since then we ve launched our first game called http://PvPz.io which has seen over > , 20,000 players through its doors! On the back of that we re announcing the start of a two game partnership with > , the worlds leading web game portal Poki! First up we re building a game we re calling Up Together. It is a > , 3D platformer. You play as food that has recently become sentient and is trying to escape the kitchen. Figure out > , the right pattern or sequence with your friends or strangers online to see who can get out of the kitchen. > , This fun, whimsical take on the popular genre is bound to be a crowd favourite . The second title we re working > , on is called Reel World. One of the player behaviours we observed in PvPz was players trying to complete their > , collections using any means available. We were inspired by that play style and built a Social Fishing Collection game with > , a cute aesthetic that rewards collecting everything! In this game you will be able to play in a multiplayer server > , with your friends, collect fish, and uncover the secrets of the Reel World Island. Both games will be launched exclusively > , on Poki or available through their homepages before the end of this year. We hope you enjoy these games as > , much as we enjoy building them. Expect an official announcement to follow when the first title Up Together goes live > , in the coming weeks.</p>
