<p>Geometry Dash Online is a free side-scrolling platformer played in sync

with musical rhythms . Groove your way over and under obstacles to keep the mus

ical momentum alive. If you slip up, it s back to the beginning!</p>

<p>How to Play</p>

<p>The square moves by itself in Geometry Dash. All you have to do is clic

k to jump when necessary and use up/down to steer vehicles. The way you dodge ob

stacles is often in sync with the beat, so make sure your sound is on and enjoy

the experience!</p>

<p>As you move through the levels, there are different sections with cool

new tunes, colors, and abilities that require extra attention. It s a superb mus

ical journey!</p>
