<p></p><p>The critically acclaimed indie game franchise Five N

ights at Freddy's has arrived in full force in Miniplay - haven't you tr

ied it yet? </p>

<p>Five Nights at Freddy's or also known as FNAF is a game of Horror i

n which you control Mike Schmidt, a newly hired security guard for the night shi

ft at a fast food restaurant. A boring job, isn't it? Only every night, the

animatronic dolls come to life and roam the restaurant's halls, turned into

deranged killers, eager to avenge their pitiful existence. </p>

<p>What is your mission at FNAF? </p>

<p>As a security guard you must survive the night and make sure that the d

olls don't escape from the restaurant and spread chaos and terror wherever t

hey go. To do this you will have a number of tools at your disposal. </p>

<p>Dig in to your sentry box and check the security cameras, so you can se

e which dolls have woken up and where they are in the restaurant. Turning on the

lights can scare them off and some of them can only be stopped by closing the d

oors. But be careful, you have limited energy for each night and you can't k

eeep all your defenses on all the time or it will wear out and you'll be expo

sed to any doll with bloody intentions. </p>
