&lt;p&gt;MGM claimed the remake was based on new information uncovered during re search of the original events, but&#127877; George Lutz later claimed nobody eve r spoke to him or his family about the project. When he initially heard it&#1278 77; was underway, his attorney contacted the studio to find out what they had in the planning stages and to express&#127877; Lutz&#39;s belief they didn&#39;t h ave the right to proceed without his input. Three letters were sent and none was acknowledged.&#127877; In June 2004, the studio filed a motion for declaratory relief in federal court, insisting they had the right to&#127877; do a remake, a nd Lutz countersued, citing violations of the original contract that had continu ed through the years following the&#127877; release of the first film.[3] The ca se remained unresolved when Lutz died in May 2006.&lt;/p&gt;
