<p></p><p>Gameplay</p>
<p>In FNAF 4, you play from a first-person perspective and must use variou
s tools to protect yourself from the animatronics. Your primary tool is a flashl
ight, which you can use to keep track of the animatronics#39; movements. You ca
n also close doors and windows to keep them out, but these actions consume your
limited supply of power. The animatronics move around your bedroom and can attac
k you from any angle, so you must use your senses and quick reflexes to survive.
</p>
<p>How to Play</p>
<p>To play FNAF 4, you will need to use the arrow keys or W, A, S, and D k
eys to move around. You can use the space bar to shine your flashlight and the m
ouse to interact with objects. The game is split into five nights, with each nig
ht becoming progressively harder. You must survive until 6:00 AM to complete eac
h night.</p>
