In September 2004, an expansion pack called Call of Duty: United Offensive, which was produced by Activision and developed by Gray Matter Studios, was released. It was available via redemption codes included with the "Hardened" and "Prestige" editions of the game.  
Call of Duty: Mobile is expected to be phased out over time (outside of China) with the launch of Warzone Mobile. The information is pulled directly from a response given by Microsoft to the Competition and Markets Authority of the UK as part of its efforts to close a \$68.7 billion deal to acquire Activision.

Call of Duty: Mobile will stay mobile and focus on quick multiplayer games and possibly zombies.... warzone will be strictly BR.
