When an American general is killed during the missile attack, the world stands on a brink of global conflict. That's when Task Force 141 is called to prevent further escalation and take control of the situation. But naturally, it's not that simple and the players will have to face many adversaries, among which are the terrorist organization Al-Quatala and the drug cartel Las Alamas. CoD MW2 has the kind of action-packed story that will keep you on your toes and make sure you're not bored for a second.éMultiplayeréIn addition to an excellent story, mode players can also expect a narrative-driven co-op Special Ops missions that will require good coordination to complete.éOn top of that, Call of Duty Modern Warfare II features fan-favorite co
