Paint the map in your own color to take over the Paper.io world! Look out for other players vying to claim your space.

How to Play Use your mouse to move around and cover the floor with your color. Glide over white space and other players paint, then create a connection back to your own color to claim that area. You can also destroy other players territory completely by crashing into their tail when they are exposed. That also means when you re moving outside of your color your tail is exposed to attack. Other players can crash into it to obliterate you.
