&lt;p&gt;&lt;/p&gt;&lt;p&gt;The rules of Zuma Games explained!&lt;/p&gt;  
&lt;p&gt;The game is set in an Amazonian forest with ancient temples and the like, and&#127936; ceramic balls are moving along a set path in each level, with the paths getting more complicated from one stage&#127936; to the other one. Your goal is to eliminate all of the rolling balls before they reach the yellow skull ,&#127936; because if they do, it opens its mouth, eats them up, and you lose the stage.&lt;/p&gt;  
&lt;p&gt;Explosion Ball: hit it and&#127936; make any balls, no matter their color, in a limited range blow up.&lt;/p&gt;  
&lt;p&gt;If you choose to try the Adventure Mode,&#127936; you start off with three lives, while more can be won by getting enough points. Here, levels are structured into&#127936; temples, and temples have multiple worlds inside of them. So, this way you see more of the ever-expanding world of&#127936; Zuma, with the final frontier being a space level. In the Gauntlet Mode, you can re-try and play again any&#127936; levels you've already conquered in the normal or adventure modes, and here you also have a survival mode where balls&#127936; get faster and the colors are arranged in a more difficult way.&lt;/p&gt;  
&lt;p&gt;You will see that in many of our Zuma&#127936; bubble shooting games this premise has been re-worked and re-styled, as you get to shoot other things such as sushi,&#127936; crystals, Christmas decorations, or even play the game with some of your favorite characters in media.&lt;/p&gt;
