

brazino777 foguete

If you get an error that says 400 admin_policy_enforced it means the administrator of your account doesn't allow Sign in with Google. This can happen when you use an account from work or another organization. Sometimes only specific apps are blocked.

Troubleshoot Sign in with Google - Google Account Help

support.google : accounts ; answer

Authorization issues commonly occur when required permissions are not provided to the service account or user account. The service account needs domain-wide read access.
