God of War: Ascension, God Of War, Deus of

Learning to surf requires between two hours and one month of practice

If you're struggling for more than two months to ride a wave, then there's something wrong with you. The first thing you'll need to master is lying and balancing on a surfboard - that could take you between half an hour and two or three hours.

Surfing requires lots of Patience Realistically, it can take weeks, months, or even years, to be able to consistently catch good waves

. Since the surfing environment is always changing, it takes time on the water and tons of first-hand experience to learn and read waves.
