[hwc kCrYT](#) style="padding-bottom:12px;padding-top:0px;">Green Run, Nuketown Zombies, Die Rise, and Mob of the Dead are the Map Names- In the case of NZ, DR, and MotD Treyarch has always referred to these three as maps and never as gamemodes or anything else . In the case of GR, TranZit was always referred to as a gamemode, so Green Run had to be the name.
