1v1.LOL is an online third-person shooter with cool

building mechanics. Similar to the building in the popular game Fortnite, you

can build structures to change the outcome of the fight. In the Battle

Royale game modes the sole survivor wins the game.The goal of the gam

e modes is to be the last player standing, using the different weapons and build

ing blocks at your disposal. Build walls and ramps to defend yourself

or to create an opportunity to attack your opponents. Use your axe t

o break down your opponents' buildings.1v1.LOL has many fun features such as

private matches with friends, bustling item shops with custom equipm

ent, effective practice modes, and many ways to customize your character and pla
