<p></p><p>After its E3 2010 presentation, Iwata revealed to th
e BBC that Nintendo would begin announcing a new console once it🍉 ran &q
uot;out of ideas with the current hardware and cannot give users any more meanin
gful surprises with the technology".[30] Later,🍉 at an investor'
;s meeting, he disclosed that Nintendo was "of course studying and developi
ng the next console to Wii", but🍉 it was simultaneously keeping its
concepts secret because it was "really important for [Nintendo's] busi
ness to positively surprise people."[31] Fils-Aimé🍉 also state
d that Nintendo's next home console would likely not feature stereoscopic 3D
, based on the 3D technology Nintendo had🍉 experimented with.[32]</p>
