Start this game by collecting as many golden coins as you can, because just in this way you can earn a bonus life when you have reached 100 coins in your account. You will meet Toad a small mushroom, Yoshi a green dinosaur that can fly and he will help Mario in this old game to fly. Avoid the carnivorous plants which will shoot you and at the same time if you touch these plants you can die very easy, but probably the most interesting fight will be between Mario and his old and dangerous opponent which is the big dinosaur, dragon.

After you pass one level you will be rewarded with some great bonus points, but what is the most important is that passing all the levels, which are 6,

you can save the Princess Peach and you will shoot the flag up.

How to play? use the arrows to move with Mario, but to start this game you have to use the Z and X keys.
