The game has some very cool missions. The game delivers a fun futuristic action packed ride. The game can get a bit boring in a couple of parts, but this is a satisfying call of duty campaign. The weapons in the game are well done.

Fortunately, the first-person shooter genre is not known for its lengthy campaigns, with CoD game story modes typically lasting under 10 hours (depending on your skill level). You should have no trouble fitting this game's singleplayer in if you're keen on seeing what happens in the direct sequel to 2024's MW2.
