Our animal games feature an entire zoo's worth of creatures, from chimps to penguins to rabbits. Play with exotic creatures and even accessorize your favorite pets with a variety of dress up challenges. Our collection lets you dress up house pets, too, such as dogs and cats. You can dress up your favorite animal in full costume or just add simple accessories such as a colorful hat. In other challenging levels, you can grow, train, and raise your own pets. It's like having your very own kitty or puppy!

In dress up animal games, you can choose from a variety of pet clothing and accessories by browsing and clicking your mouse. In other challenges, you'll be using your keyboard to control characters in a variety of environments. Swim away from dangerous sharks in a virtual ocean or race hamsters on a round dirt track! You can even help sick pets as you play veterinarian. Or, play as a farmer and feed an entire farm of your very own animals. With our wide variety of adventures, you can have countless hours of fun!
