Vex 4 is a popular action platformer game that is part of the Vex game series. In this game, players control a stick figure character who must navigate through various levels filled with obstacles. The game is inspired by classic platformers like Super Mario Bros. and features a variety of levels with different themes and challenges. The stick figure character, Vex, is a simple but effective design that allows players to focus on the game's mechanics and level design. The game's soundtrack is composed of electronic music that adds to the overall atmosphere of the game.

The difficulty of the game increases as the player progresses through the levels. The levels are designed with a variety of obstacles, including moving platforms, spikes, and dangerous liquids. The stick figure character has a limited number of lives, and players must be careful not to lose them. The game's graphics are simple but effective, and the animations are smooth. The controls are intuitive and easy to pick up, allowing players of all skill levels to enjoy the game. The game's soundtrack is composed of electronic music that adds to the overall atmosphere of the game.

The game's graphics and smooth animations, making it an enjoyable experience for players. The controls are intuitive and easy to pick up, allowing players of all skill levels to play the game.
