&lt;p&gt;What Are Bomberman Games?&lt;/p&gt;

&lt;p&gt;Rumble, explosion, the smell of acrid smoke, and now - the space around you is completely cleared! Whoever you are: an experienced sapper, a brave warrior or an enthusiastic treasure hunter, the main thing is to destroy absolutely all the obstacles that arise in your way. And what will cope with this better than a high-quality multi-ton bomb? Bomberman games are designed specifically for those who cannot imagine their lives without skillfully organized explosions. But in order for the total cleansing to be successful, it is absolutely not enough to plant explosives around the perimeter of the field and calmly wait for the result. You will have to apply logic, planning and careful calculation of the affected area because you simply will not have a second chance to send an insidious enemy to the next world.&lt;/p&gt;
