A successful daily fantasy football player chooses his/her games wisely. Balanced game selection and money management are key. You want to play a lot of low risks, low return on investment games. A good fantasy player should be able to steadily increase bankroll by doubling up on 50/50 style contests.

The three DraftKings users who have become millionaires have each approached their lineups a little differently, but there are also a lot of similarities which have helped them take home the Millionaire Maker crown. Let's break down the three winning lineups so far, starting with the most recent in Week 7.
