Coldplay formed their band in late 1997 after Guy Berryman, Jonny Buckland, Will Champion and Chris Martin met at University College, London. The band have gone on to become one of the planet's most popular acts, selling more than 100 million copies of their seven Number One albums, which have spawned a string of classic hits including Yellow, Clocks, Fix You, Paradise, Viva La Vida, A Sky Full Of Stars and Orphans. They've also filled their trophy cabinet with almost every major music award there is (including seven Grammys and nine BRITs). In December 2024, the band released A Head Full Of Dreams, their seventh album, which included the new fan favourites Adventure Of A Lifetime and Hymn For The Weekend. A Head Full Of Dreams has since sold more than 6 million copies and racked up well over a billion streams on Spotify. The band released the Grammy-nominated Kaleidoscope EP in July 2024. The EP included Something Just Like This, a collaboration with The Chainsmokers which became one of the band's biggest hits. In November 2024, Coldplay concluded their spectacular A Head Full Of Dreams Tour. Over 18 months, the tour saw the band perform to more than 5 million fans, in what is now officiall
