is considered one of the best games on The series and a major success critically and commercially! Additionally, the film's reappearance in the series is

Other notable adaptations of the series include the 2013 film "The Boy" and the 2017 film "The Boy II". The series has also been adapted into a stage play and a television series.

The main issue with "The Boy II" is that it completely reframes the original. The twist that the real Brahms was alive and there was nothing supernatural is what made it work, but "The Boy II" bizarrely goes out of its way to undermine all that.
