&lt;p>If there is an option to give negative stars, I would give it.&lt;/p>

&lt;p>They withheld all my winnings from my account &#128184; and only provided the deposit I made. This is due to the multiple accounts rule that they are saying but &#128184; will only tell you if you win from their site and not upon registration or when you lose all your &#128184; money.&lt;/p>

&lt;p>Their customer service is useless especially the security team. They will ask you all these stupid requirements and later on &#128184; inform you of a different violation just in case you cannot provide the requirements.&lt;/p>

&lt;p>I also had issues with withdrawal which &#128184; took a few days before they were able to resolve. If I did not catch it from the transaction history, &#128184; I would have not noticed it. You need to do your own investigation as their Customer Service doesn't really think &#128184; but just sends replies that would be easy and beneficial for them.&lt;/p>

&lt;p>I would suggest refraining from using their website as &#128184; I am sure that they will find a way to block you from their site if you win!!&lt;/p>
