The late #39;70s into the #39;80s

was considered by many to be the golden-age of body horror and where t

he dedicated subgenre was officially born. The work of director David Cronenberg

was vital to the formation of the genre and its rise in popularity.

Canadian filmmaker

David Cronenberg

is considered a principal originator of bod

y horror through early films such as Shivers and Rabid, and his remake of The Fl

y. However, body horror tropes existed within film prior to official recognition

of the genre.
