Medusa is often depicted as scary due to

her ability to turn people to stone with a single glance.

In Greek mythology, she was cursed with this ability as a punishment for her actions.

Her appearance, with snakes for hair and a frightening gaze, also adds to her terrifying nature in many stories and depictions.

In this popular version the Medusa is a monster with hair of a thousand snakes.

She is under a curse which causes everything she looks at to turn to stone

. Cixous explains that this monstrous image of the Medusa exists only because it has been directly determined by the male gaze.
