<p>About game &#171;Age Of War&#187;</p>

<p></p>

<p>Well, to be honest, the name of the newest Age of War game, whose main objectives &#128068; are to defend your own kingdom and vanquish the opposition, is very lame. Let&#39;s attempt to explain our reasoning. The &#128068; answer is straightforward: after beginning the battle, we got so engrossed in it that we spent an hour or so &#128068; working to solve the puzzle. What drew us in so strongly that it was challenging to leave. The first is &#128068; enjoyable since it introduces you to amusing characters who are struggling to survive. The second is that we gradually moved &#128068; into the era of knights after the battles of primitive people with the aid of everyday weapons like sticks and &#128068; riders on dinosaurs, then there was the era of musketeers, the era of common warriors with machine guns, the era &#128068; of tanks, and the final era - space warriors!</p>

<p></p>

<p>You have a set amount of money at your disposal, which you &#128068; can employ to build a sizable or merely numerical army. Additionally, there will be three different sorts of soldiers in &#128068; every era save the last two, and four to five in the latter two. Tanks and super warriors will be &#128068; present in the latter.</p>
