If the '70s transformed horror, then the '80s

was the decade when the genre really came into its own. Although many fans have

a soft spot for slasher movies, the '80s also birthed iconic

monsters, brought body horror to goopy new heights, and sparked a new subgenre:

the splatter comedy.

The decade produced some of the most iconic slasher villains of all time, and introduced

a slew of cult classics built on practical effects alone.

To this day, directors still pay homage to films of this decade easily categorizing it

as cinema's Golden Age of Horror.
