Argentina is a favorite (-125) for the final of the 2022 FIFA World Cup in Qatar, according to reports presented by Fox Sports. However, it is important to consider the Argentina demonstrated in the final stages of the tournament. Argentina scored 10 goals, with only two goals in the matches since its debut and a goal against Austria.

Even with Argentina showing a strong presence in this event, the French team should not be underestimated. With equal chances (-110), France represents a great opportunity for those who are willing to take a higher risk. The French team, led by talented players like Mbappé and Griezmann, is also seen as a favorite among many fans and specialists in the sport.
