Murder is an original Poki Game that has become increasingly popular in the last few years, we are not at all surprised, since it has all the makings of an amazing game, and you will agree with us too as soon as you give it a shot, we are confident, especially after we will now teach you

how it works!

Can you Murder the king without getting caught?

Use the mouse to walk around, take decisions, grab onto things, speak to

people, and do any other action that you think is necessary to premeditate the murder of the king, whom you need to dispose of to win the

game. Make sure to move carefully and not get caught, because if your plans are thwarted, you are also going to be thrown in prison, and you lose the

game.

After that is achieved, you assume the role of king, which only

means one thing, which is that now other people around the court will

try to kill you, so you need to move carefully and prevent that from happening,

so now you will have to make defensive moves for survival!

Charge

your stab with the spacebar, and the more you hold, the stronger it is.

Now that you've surely understood, start the experience right now, see for yourselves why it is that awesome, and stick around

for more of our daily content to come!
